**Conjoined Planets result from Lal-Kitab**  
**(All Predictions are based on Lal Kitab Kundali)**

In your Kundali, the Sun and Jupiter are situated together in the 1st house. According to Lal Kitab, Jupiter represents your father and Sun is his son. The benefits of your luck would be enjoyed by both, you and your father. The combination of the Sun and Jupiter forms the Moon. Your luck would be as beautiful as the moon, white as pearl and bright as silver. You will make your father's name famous and earn him glory and honor in the society. You will keep receiving wealth from the government till the age of 38 and you will adorn a high post.

In your Kundali, the Sun and Saturn are situated together in the 1st house. According to Lal Kitab, this is a combination showcasing you as being an opportunist and being ready to change according to the times. The relationship between the Sun and Saturn is like that of a father and son. Normally, there are no quarrels between the two of them, but sometimes Mercury is the reason of tussle between both of them. You might get in trouble because of your sister or daughter. Mercury will help you in this kind of a combination. Your life will be very simple and peaceful. You will earn good profits in the business related to gold and silver. You may be interested in spiritualism and you will be a sage and would be very knowledgeable. If this combination becomes unfavorable, you might get into quarrels with your spouse, as Venus is weak. Business in Sun related articles would be very profitable for you. Your relation with your relatives would become cordial and friendly. But business in Saturn related articles would lead you towards losses and might also completely destroy you. To escape the unfavorable effects of this combination, you should float Saturn related things in flowing water during solar eclipse. You should bury things related to Mercury, like pearl, fruits, or other green colored articles during the evening somewhere at a street square far away from the population. If the health of your child is not keeping well, then you should get an idol of Saturn, weighing the same as your own weight, constructed and made to stand against a wall and then you should make a hole in the wall to let the wind pass through. If Saturn is weak in Varsha Phala, you should not indulge in work related to Saturn. Doing so might lead you into losses.

In your Kundali, Moon and Mercury are situated together in the 2nd house. According to Lal Kitab, you will receive help from Mercury. You will never face any problem as long as your father is alive. There will be no loss in parental property. If the effect of Mercury is weak, then you should take the help of articles related to unfavorable Mars or Rahu.

In your Kundali, Jupiter and Saturn are situated together in the 1st house. You might spend your life, as a preacher or a hermit, at a remote and peaceful place. If Saturn is unfavorable, then your family and wealth might get destroyed.

Tri planetary combination of Sun, Jupiter and Saturn is placed in any house of your birth chart, you will earn respect and value.

## Some Tests for checking the genuineness of the Rudrakshas

### Floatation test:

When a genuine Rudraksha seed is gently placed on water, it will sink; but if a fake one is placed on water, it will always float.

### Copper Test:

A genuine Rudraksha is very hot, and has electromagnetic attraction with Copper. If beads are held with a string over a small round thin piece of Copper metal sheet (like a piece of Copper coin of old days), they tend to show a slow gradual rotational movement. If the rotation is observed to be in clockwise direction, then it is considered auspicious; otherwise, it is to be rejected – as it might be defective.

### Milk test:

If an authentic Rudraksha seed is kept in a cup of milk for a day, the milk will not get spoilt. But if it is a fake one, the milk is to become spoilt.
