

# Mystic Solutions: Year 2019

Vastu, Numerology, Lal Kitab and iBazi consultation

## How to Calculate your Personal Year for 2019:

In order to find your **Numerology Personal Number/Year** you need to do the following calculations:

- Add your Birth Date + Birth Month + 3 (**3 is the universal number for the year 2019**)
- Reduce the result to a single figure into a number between 1 and 9
- For example, if you are born on the 22nd March,  $22+03+3$  (2019) = 28 - (2+8) = 1
- So, your **personal number** for 2019 is 1.
- Second example: if you are born on 11<sup>th</sup> October then PY is  $\rightarrow 11+10+2019 = 2040=2+0+4+0= 6$ ; your personal year in 2019 will be 6.

## Year 2019:

As per Numerology 2019 is the year of Number 3 ( $2+0+1+9=12=3$ ) is a significant number in Numerology as number 3 presents planet Jupiter - Guru. Numerology year 3 is considered as a symbol of the trinity and a number that brings good luck. In year 3, Life will offer opportunities for you to broaden your horizons, improve your old way of life, enjoy lighter interests, and socialize. You'll feel fresher and more alive than you have in previous years. It's important for you to be optimistic and cheerful. You can gain better results through being joyful and happy than through moods or worry. Realize that worry is just interest you pay for things that haven't happened yet. Money, opportunity, travel, popularity, pleasure, happiness and love will be yours this year, but only through your own inspiration, hard work and good cheer. Scatter a little sunshine wherever you go. Create an atmosphere that attracts fun. This is a time for you to enjoy being alive. Year 3 in Numerology also inspires and encourages generosity, power and positivity. Numerology year 3 gives people the strength they need to express their ideas freely and to fight against abuses of power. Year 3 motivates all the life paths to rise to the challenges they face as well as to defeat the obstacles ahead of them. 2019 is essentially about grabbing hold of all the opportunities available to you and making the best of them. ## For individual Personal Year

### Personal Year 1: New Beginning

You've recently been thinking about your future and it's now time for you to spring into action and **make the changes you crave**. Defining your priorities and goals will be an essential part of your years and will help you move forward progressively. This year is going to bring many opportunities for the people with PY 1. According to Numerology Predictions 2019, many good opportunities and moments in job, business, education, economic, family, marital and love life will occur. First of all, professionals who are working might get a promotion this year, and their salaries are also likely to increase. Business entrepreneurs will try to expand their business this year and will succeed as well. People working in government sector may also attain huge profits.

### Regarding financial matters, this year is going to be great for people with Personal Year 1.

Due to increase in income, they will become economically strong along with gaining financial benefits. Students preparing for competitive exams who have put in efforts will get favourable results, especially in the field of government, medical and engineering. Your self-confidence will also increase, but you might become a bit egoistic by nature. Hereby, try not to be arrogant and intoxicated by success. Otherwise you'll attain success at the stake of losing your relationships.

You will want to **follow your heart in 2019** and won't let anyone hold you back. **Keep in mind your goals** and you'll go far in 2019. One of the keys to your success will be your **logical and methodical thinking**. **Say hello to success in 2019.**

**TOP**

### Personal Year 2: Success not Far

You'll start 2019 off in a positive way, meaning you'll put **communication ahead of confrontation** and won't feel the need to pressure people into agreeing with you. You have a very influential role in your family and friend's lives, so use your power wisely. **Dream big at the start of the year** and when spring time rolls around, put your ideas in place and make them a reality. You could change careers in 2019 and will want to **value your talents and experience** in a field that really interests you. You are slowly moving **towards your goals**. **One has to work hard in their area of profession, business and education in order to gain better outcomes**. Working people and businessmen have to go off track and present something out of the box in order to attain promotion and increment. It will be expected of you in the workplace, and delivering better results will make you a better receiver of increment or promotion.

Students who are preparing for competitive exams must focus on their studies and pay attention to every detail. Remember that this year, you'll have to work immensely hard in order to get good results in studies. Now coming to love and marital life, this year will prove to be good for you. Love and affection will increase with your spouse or lover. However, respect your partner's feelings. If things are already tense between you two from a long time, resolve those issues and go for an outing with your loved one. This will improve and strengthen your relationship.

2019 will get off to an **invigorating start** for you, **Personal Year 5**. You are aware of your talents and know how much potential you have to **succeed in all areas of life**, which is very motivating for you. This will be a year for change, growth, fun, and freedom. An important change in residence, work, or family situation is likely and may not be due to your initiative. You must take advantage of the change and use it to help you move forward. Your challenge during the year will be to remain focused on long-term goals, making an effort to sort out important projects and see them through from start to finish. You won't think twice about going the extra mile in 2019. Numerology year 3 will encourage you to dream big when it comes to your career and to take the necessary risks in order to find your happiness. this year is going to be highly profitable for natives with personal year 5. Most **special fact is that you'll attract and impress everyone** with your voice and personality. This year, there will be several golden opportunities in the field of job, business and education. Your wait for a new job or promotion is likely to get over this year.

Business entrepreneurs are likely to gain huge economic benefits in a deal. Your family and marital life will be good this year. In a marital relationship, connection with spouse will grow stronger. At the same time, you will spend more time with your loved ones in the family. You may also go for a trip with your spouse. During this period, there will be a fresh vibe to your relationship.

You'll take every opportunity handed to you in 2019 and will do whatever is necessary to continue along your prosperous path. Everything looks great for **PY 5 in 2019**.

**TOP**

### **Personal Year 6: All About You & Family**

Other people's contradictory behaviour will plunge you into a mine of doubts at the start of the year. Your **ferocious determination** will motivate you to finish up on all of your projects, although that's not to say you won't face lots of difficulties along the way. Your determination will waiver over the course of the year and accomplishing things will become more and more difficult as the days pass. The 6 Personal Year is called the year of love, marriage, and sacrifice. Life will bring you events and opportunities emphasizing responsibility and domestic affairs. Service is the key to your success and happiness. This

year, the focus is on home, family, marriage, responsibility, service and sacrifice. There will be obligations to pay up, responsibilities to meet and duty to accept. If your motives include truth, justice, charity, unselfishness and humanity in everything you do, you are likely to have a very satisfying year. Year 2019 is also going to bring many challenges for natives under this number. However, despite all the struggles, you will be able to change the circumstances with your hard work and efforts. In regard with job and business, you will need to move forward patiently. Do not take hasty decisions when trying to fulfil economic targets or gain benefits.

Students preparing for competitive exams, especially Civil services or IIT, will have to study with focus and concentration to achieve success this year. Your personality may become the biggest reason for your growth this year as people will get attracted to you because of your behaviour and conduct. Due to this reason, you will be able to get in touch with influential people of the society and gain benefits with their help. This year is also giving a good sign for your love life. During this period, closeness with your lover will increase and you will spend good moments with each other.

**Your tenacity and optimism** will help you through when times get tough. The changes you encounter in **2019 really will be life changing for you, year 6.**

**TOP**

### **Personal Year 7: Growth**

Patience, reflection and good decisions will be **major factors in your Numerology 2019 year.** 2019 is about making your hidden desires a reality and doing what you really want to do; the days of holding back are over! Leaving your anxious and doubtful personality behind will open your eyes to **a whole new world and lots of new possibilities.** 2019, this new year is going to be brilliant for you. During this period, you'll make progress in every field by moving forward in the right direction. However, you may have to face challenges in job and business. Hence, you need to be patient and wise while dealing with your career. Although these troubles aren't going to last forever. On the other hand, students who are preparing for exams in the field of psychology, medical or administrative services may get desired results and success.

Natives with PY 7 will incline towards religion, philosophy and spiritual subjects throughout 2019. At the same time, you will be socially active doing philanthropic work. There may be some ups and downs in family life this year, so stay patient when dealing with family matters. Maintain a warm relationship with your family and avoid unnecessary disputes, as it would be better for you. Otherwise, family disputes may have a major impact on your area of work.

Year 3 is calling you to move on up to the next level and to be brave; even if success isn't immediate daring to make a change is very impressive all the same. Remember, good things come to those who dare! **The future is bright!**

### Personal Year 8 in 2019: Manifestation

You will finally have the time to make a fair assessment of your life and ask yourself some **honest questions in 2019**. Are you happy where you are, or do you need to do more to get to where you want to be? Are things going as you planned, or are you just pretending that they are? During the course of this year a major new opportunity will unfold, quite possibly you'll experience a significant change in your work environment. This is a year of action. Emphasis will be placed on travel, advancement, financial matters, social status, power, authority, business, and accomplishment. You'll have a chance to improve your professional standing, finances, and reputation, and will be recognized for your potential and skills. You will be less flexible this year but **more realistic and down-to-earth**. No challenge will be too big for you in 2019 and you'll have the strength to react calmly to any unexpected surprises. Overall, 2019 is going to be normal for these natives. There might be a change in job and business for these natives. You may go abroad for job purposes or get transferred. Try to maintain a balance in both personal and professional life during this period. Do not let your work overpower your personal life in any way. Avoid getting too involved in professional work that you give minimal time to your family. These actions may create disputes between you and your family. If you are preparing for examinations related to technical services, medical and engineering, you will have to work hard to achieve success. Overall this year, you will move forward towards and make progress despite all the difficulties. This year, you might face some health troubles – especially tooth related, so take good care. Don't let excessive work and stress overpower you.

**Your future will begin to change in February** and on the whole, things look very positive.

### Personal Year 9: Winding Down with Surprises

The first few months of 2019 could get you down and you could even experience an **existential crisis** of some sorts. The current life isn't what you had always imagined for yourself and it's beginning to frustrate you. **Try to focus on the positive aspects of your life** and plan for the future all whilst following your heart and dreams. This year will be highly progressive for natives of Year 9. Unexpected success in job and business will make you extremely happy. This year, you'll fulfil your dreams with your hard work, and you would come forward to help others as well. You will be ready to help colleagues in the office and friends outside. The most special thing is that you'll plan and take steps accordingly and achieve every goal.

With your smartness and understanding, you will get promotion and economic benefits in both job and business. Business entrepreneurs may gain big financial benefits this year. Natives with Personal Number 9 will have a pleasant family and marital life. Although there will be some problems and conflicts during mid-year, so stay patient. Now for your health,
